

ORDERING INFORMATION

Pricing is based on a per design basis. If you wish to have a separate tea towel for each class or group, each one is a separate design and is priced individually.

100% linen towels are available. Please call for pricing.

Please note that for orders that contain 100 drawings or more you must order at least half the drawing quantity in tea towels or aprons combined.

For example, if your tea towel has 150 drawings, you must order a minimum of 75 tea towels or aprons.

The drawings are printed on quality 100 % cotton white tea towels and light cotton drill adult bib aprons. You choose the print colour. The most popular tea towel print colours are red, blue, green, maroon and black. If you require a certain colour to match your organisation's colours or you require the school's logo to be screen-printed, please attach a sample. Logos may also be emailed as a JPEG. Logos must be clear and in black and white only with no shading.

The minimum order *per design* is 40 items.

Orders of tea towels and white aprons can be mixed with a combined minimum order of 40. For example, 28 tea towels and 12 white aprons. If you are combining tea towels and aprons, you cannot choose the landscape layout for your tea towel.

Mixed orders of tea towels and coloured aprons are accepted but the minimum order for each item is 30, i.e. 30 tea towels printed blue and 30 navy aprons printed white. This is because we have to wash screens between colour changes. Tea towels and bags cannot be combined due to the size difference. If you would like both tea towels and bags, you must order 40 tea towels and 40 bags.

Bib aprons are available in Navy Blue, Black, Red, Green, Maroon and White. If you require a different colour, please call us for availability.

Calico bags are available in black, bottle green, natural and navy. Please note that navy bags have one red and one yellow handle.

All coloured aprons and bags are printed in white unless otherwise requested.

Please note that prices do not include postage. See Order Form for details.
