### INSTRUCTIONS FOR DESIGNING YOUR OWN TEA TOWEL, APRON AND BAG

- On the reverse side of this page are the dimensions you need to design your Tea towels, Aprons and Calico Bags.
- Purchase a piece of thick white art paper or card from your local Newsagency and cut to the dimensions specified. (You may also do a digital layout and email it to us.)
- Using the Organiser's Kit and drawings cards provided carefully follow the instructions for completing the artwork.
- Once each child has completed their drawing or handprint, arrange the drawings on the paper. Depending on the amount of drawings or handprints you are placing on the towel or apron you may need to reduce or enlarge the size of the drawings using a photocopier. Once you have arranged the drawings creatively, simply glue them into place using a GluStick.
- Check all names are clearly written and touch up any faint drawings with a thick black pen.
- All pencil marks need to be removed as they will sometimes transfer to the printed item.
- Include your Logo or design one using Word Art or similar program. If you are using your own logo, make sure it is clear, black and white and without shading.
- Once the glue is dry roll up the artwork carefully and post to us with the order form from the Organiser's kit.
- The items will be printed and returned to you within 3–4 weeks. Please add 2 weeks for busy periods.
- Plastic bags & stickers are provided to assist with packaging & distribution.
- For fundraising Kidz Images recommends a markup of \$4.00 to \$5.00 per item.
- Re-orders are accepted throughout the year with a minimum order quantity of 30 items.
- All prices include GST and are subject to change without notice.
